

AMBUCS is a non-profit service organization consisting of a diverse group of men and women dedicated to creating mobility and independence for people with disabilities.

The 2nd Annual Lititz Craft Beer Fest, which was held on September 27, 2015, raised more than \$61,000 after expenses with the help of our patrons and through the generosity of our sponsors.

We are grateful for the continued support of our community and friends. We want to remind you that all of the proceeds from the LCBF are used for charitable purposes by the Lititz AMBUCS (the event sponsor) in support of their mission which is “*creating mobility and independence for people with disabilities.*” The beneficiaries of the funds raised are named below:
